

WESTMINISTER HIGHLANDS is adding an “End of Summer” youth program for 2010!

“Owl Patrol” is back by popular demand. What a way to stay up all night with your parent’s permission! Your child will have fun with guided activities that include night hiking, glow in the dark fun, swimming in the dark, and learning about God, Jesus, and “night creatures” created by God who are up when you don’t even know it. And don’t worry about getting up for breakfast. When your family back home is rising and shining, you will be yawning and falling into bed. When you do arise, breakfast will be waiting for you at 2 in the afternoon. So parents and friends, please consider sending your child or grandchild to a night of fun **one last time!** The patrol starts on August 1st and runs to August 6.

Regular registration fee is \$340. But because this is the last youth camp of the season, if you register your child now, you will receive a \$40.00 discount. If your child shows up with their “2nd chance coupon,” we will honor the \$75.00 discount off the \$340 fee. **BUT WAIT, THAT’S NOT ALL**, if your child brings a buddy to camp with our BYOB program, your child and your child’s friend will save \$50.00 off the \$340 price. Only **one** discount may be used.

So hurry, join in the fun. Register **NOW** on-line at our camp website www.capnwp.org, or call the Slippery Rock office at 724-738-0058.
