Financial Peace University (FPU) with Dave Ramsey
Listen on local radio daily 1200 am from noon to 3pm.

Did you know that there are over 800 scriptures regarding personal finance? FPU teaches stewardship- that is how to manage 100% of what God gives you. Make plans now to join Shenango Presbyterian Church for a financial seminar that will last for 13 weeks. The class costs $93 per family. This includes all materials and a lifetime membership in Dave's school.

Financial Peace University is a tool that supports churches by equipping them with a biblically based accountability class that will train their congregation and community to manage resources. The class is taught by Dave Ramsey via DVD, followed by a small-group discussion. Ramsey knows first hand what financial peace means in his own life- living a true rags-to-riches, back-to-rags, back-to-riches story. By age 26, he had established a four million dollar real estate portfolio, only to lose it all by age 30. He has since rebuilt his financial life and now devotes himself full time to helping ordinary people to understand the forces behind their financial distress. He resides with his wife Sharon and their three children in Nashville, TN.

Daily on his radio show, he invites his listeners to "Walk daily with the Prince of Peace." His mission is to empower and give HOPE to everyone from the financially secure to the financially distressed.
