

**SEEKING
YOUTH ADVISORY DELEGATES
for the
219TH General Assembly
July 3-10, 2010 in Minneapolis, MN**

A Youth Advisory Delegate is a member of the Presbyterian Church (U.S.A.), between the ages of 17-23 for the Synod and General Assembly. This person should be an active member in the local church, aware of the issues facing us, mature enough to deal with the responsibilities and freedoms offered by this opportunity, able to participate fully at the YAD orientation meeting and the meeting of the respective body to which they will be sent, and a loving critic of the Church. We expect Youth Advisory Delegates to participate in the General Assembly or Synod process in the following ways:

1. Consciousness raising, i.e., increasing the sensitivity of the General Assembly or Synod as to how young Christians see and respond to issues and concerns before the Church;
2. As visible and articulate members of the General Assembly and Synod;
3. To sharpen the issues and concerns before the Church that affect youth particularly; and
4. To seek and contribute to the openness, sensitivity, and faithfulness of the Church.

To make application as a delegate, either call or write the Presbytery Office or ask the pastor of your church or clerk of session for an application. You can also download the form and other information from <http://www.shenango.org/Publications/index.htm>.

Applications are due by December 4, 2009. Interviews will be conducted during Christmas vacation.
